Goessel Goal Getters

The February meeting of the Goessel Goal Getters was held on February 6, 2023, in the Goessel High School Library. President Eli Boden called the meeting to order and announced that the meeting would be a "Mix Up" meeting where the order of the meeting would be randomly drawn from a bowl. Members guessed how many Valentine Candies were in a jar for roll call and the winning guess of 302 candies was answered by Nivea Funk. A thank you card was read from the Clovia 4H house at Kansas State University for the snacks sent by the club in December for finals week. Levi Funk gave a talk on caring for a Ball Python complete with a special guest, "Dart." Amily Boden showed the club how to make different kinds of friendship bracelets and Camby Duerksen gave a talk on "Angles and Adjustments" in photography. Elisabeth Kitto had recreation. The next meeting of the Goessel Goal Getters will be held on March 6th at 7:00 pm in the High School Library.
