Just a little reminder from the fire department to not forget to have your chimneys inspected and cleaned! Annual chimney inspections can detect cracks, creosote buildup, and any other issues with a chimney that could decrease the proper function of your chimney. Any of these issues can cause chimney fires or carbon monoxide intrusion.

The monthly Meeting of the Goessel Goal Getters 4-H club was held on October 5 at 7:00 P.M. at the Goessel city building. Roll call was "What is what is your favorite Halloween candy?" There were 2 guest, 4 leaders, 6 parents, and 13 members for a total of 25 people present. Last month's meeting was September 7 at 7:00 P.M, and our club voted on 4-H Officers at the Goessel City Park. Next month's meeting will be held on November 7, 2020 at the Goessel city building at 7:00 P.M, and roll call will be "How many inches of snow do you think we will get this year?"
