Keep track and win prizes!

July 1 through August 8th.

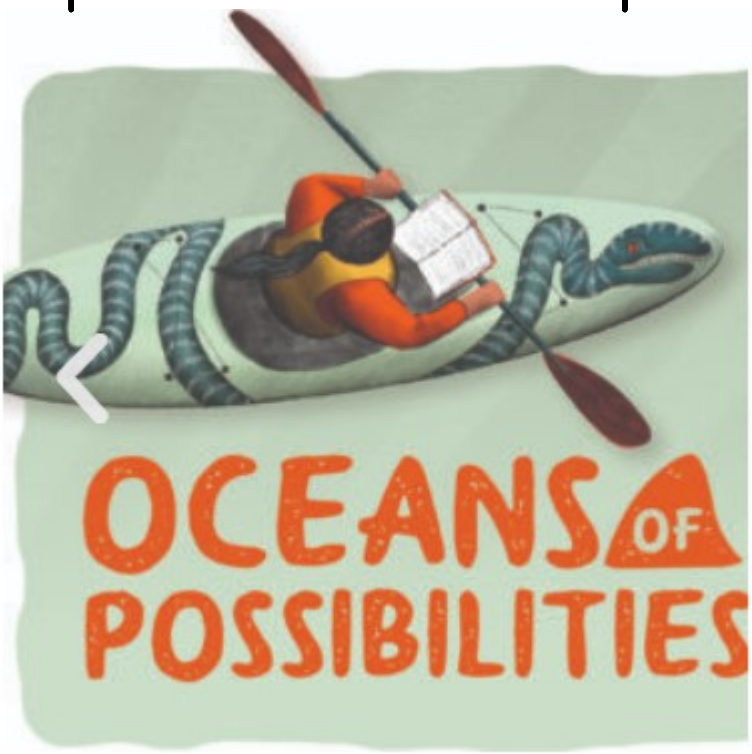
Come into library for details.

Storytime and activities

Wed. June 15—July 13

PreK-2nd Grade—10am

- 3rd Grade-5th grade—11am



The May meeting of the Goessel Goal Getters 4H Club was held on May 9, 2022 at the Goessel High School library. 18 members and 7 parents answered the roll call of, how tall are you? Cole Shaver led the club in The Pledge of Allegiance and the 4H Pledge. The Happy Birthday song was sung to all who had a May Birthday. Maddie Olson gave a talk on how to care for your pig, and Athena Funk showed the club different types of saddles and how they could be used to ride your horse. Levi Funk was the recreation leader and the club played Blob Tag. The next meeting will be held on June 5 and members will be hosting a make it and take it time to show how to make a project that they are enrolled in to other club members.

PREPARE AND BE AWARE!!!

Tornado Watches and Warnings:

- A Tornado Watch means conditions are right for the formation of tornadoes
- A Tornado Warning means a funnel cloud has been sighted on the ground or radar has indicated that one might be forming

Severe Thunderstorms and Tornadoes are Dangerous:

- Severe thunderstorms have wind speeds of at least 58 mph, and/or hail at least the size of a penny
- Some storms are capable of producing winds of more than 100 mph. You should take cover as you would when a tornado is approaching

Lightening Safety:

- If you are close enough to hear the thunder, you are close enough to be struck by lightening
- Seek an indoor shelter, stay away from windows, do not use the telephone if it is connected by a wire, and avoid bathing or washing dishes
- Get in vehicle if caught in the open and there is no threat of a tornado
- If you are in open country with no shelter available, crouch down, tuck your head down and cover it with your arms
- Avoid: high places, open fields, isolated trees, towers or poles, golf carts, water and machinery

Tornado Safety:

- If you are outdoors with no shelter, lie flat in a low ditch or low place. Protect your head from flying debris
- If in a car or truck, leave your vehicle for a ditch or low spot. Do not try to drive away from the tornado
- In a home, go to the basement. If there is no basement, go to an interior part of the structure. Try to put as many walls between you and the outside as you can. Stay away from doors, windows and outside walls. Get under something sturdy.
- In a large building, move to designated shelter areas. Interior walls with no windows on the lowest floor offer the best protection
- In mobile homes, seek shelter elsewhere, if there is not substantial shelter nearby, go to a ditch or low area, lie down and protect your head

GOESSEL COMMUNITY FOUNDATION AWARDS $3,100 IN GRANTS

(Goessel, KS) The Goessel Community Foundation, an affiliate of Central Kansas Community Foundation, is pleased to announce the recent awarding of four 2022 Community Grants. Through the generosity of community donations to our Impact Fund, the Foundation was able to "give back to the community" through these local non-profits. Awards were presented at a Spring Celebration & Recognition Dinner at Goessel Elementary School on April 30, 2022 hosted by the Foundation Board. A complimentary meal prepared by Goessel Grocery & Deli and a skit "Leave 5 in Goessel" given by Matt Lehman Wiens and Matt Voth were also part of the event.

$1,100—Bethesda Home $970 from the Goessel Senior Endowment and $130 from the Impact Fund to supplement expenses for the Friendship Meal Program. The recipients pay for one-third of the cost, with the remainder covered by grants, donations, and Bethesda.

$1,000—Goessel USD411 for Early Childhood Family Engagement Night from the Impact Fund for family engagement opportunities and education activities for parents of pre-school age children. It is an evening with many hands-on activities that allow families to get acquainted with resources which can assist educational needs early in life.

$500—Marion County Core Community from the Impact Fund for a "Getting Ahead Scholarship" for educational opportunities to find solutions for families facing poverty. Classes are offered to help end the cycle of generational poverty by building resources to lift themselves out of poverty.

$500—Marion County Dolly Parton Imagination Library from the Impact Fund which provides families with children ages 0-5 a free age-appropriate book each month until the child reaches age 6. The program provides books, directions, and activities so parents have the means to read, interact, and connect with their children.

Each year, our Impact Fund continues to grow. Our goal of reaching $125,000 for our Impact Fund, would allow for larger grants in the future. To help us reach this goal, donations should be sent to GCF, PO Box 244, Goessel, KS 67053 or on-line at bit.ly/donate-goesselcf.
