The Christmas Giving Tree 2017

*The Crossroads Credit Union and the Goessel Ministerial Association
are sponsoring a Christmas Giving Tree.*

This tree will endeavor to help with some of the expenses of Christmas for families in need.

If you are in need and would like to submit a child's name or whether you would like to help out —

WE NEED YOU!

*Come to the Crossroads Credit Union where you can provide a gift for a child
by choosing a tag from the "Giving Tree."*

The tags will be available on the tree inside the Crossroads Credit Union on Tuesday, November 28.

*All the gifts will need to be brought back to the Crossroads Credit Union
by Friday, December 15.*

Questions? Contact Crossroads Credit Union or one of the local ministers.

Plastic Handle Fire Extinguisher Recall

The recall involves 134 models of Kidde fire extinguishers manufactured between January 1, 1973 and August 15, 2017, including some models that were previously recalled in March 2009 and in February 2015. The extinguishers were sold in red, white and silver, and are either

ABC- or BC-rated. The model number is printed on the fire extinguisher label. For units produced in 2007 and beyond, the date of manufacture is a 10-digit code printed on the side of the cylinder, near the bottom. Digits five through nine represent the day and year of manufacture in DDDYY Format. Date codes for recalled models manufactured from January 2, 2012 through August 15, 2017 are 00212 through 22717. For units produced before 2007, a date code is not printed on the fire extinguisher. Please see the next two pages for list of models in recall.
